2ndst International Week - University of Florence November 5-9, 2018

Dear Colleagues,

the Department of Economics and Management of the University of Florence is pleased to announce its **2nd International Week**, which will be held **from the 5th to the 9th of November 2018**. It will be an opportunity for teachers to give visiting lectures at our university under the Erasmus+ Teaching & Staff Mobility Programme, where applicable.

Academics are welcome to propose lectures in a variety of topics ([please check the application form for a complete list of available topics](#)). The lectures are targeted at Master and PhD students. The teaching language is either English or Italian.

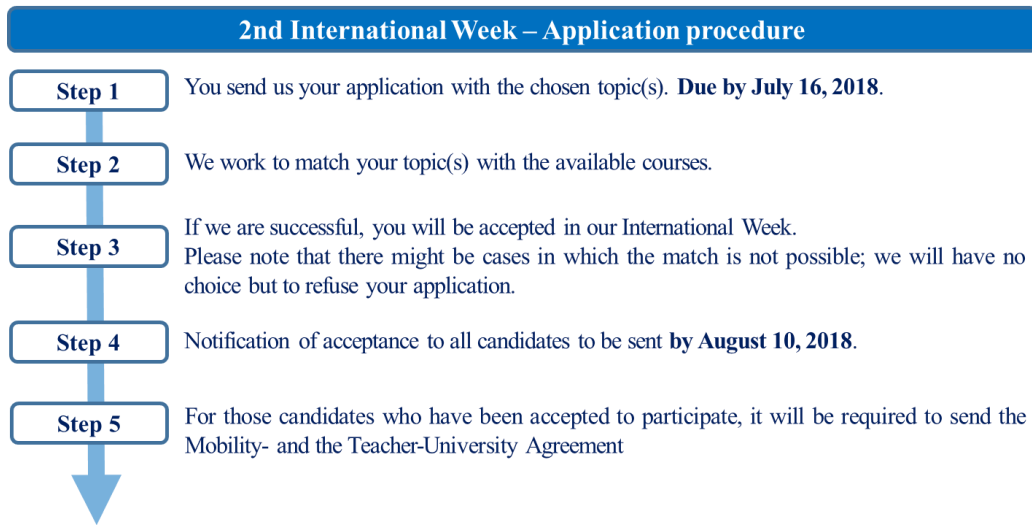

We will analyze the content of each proposal and confirm if we can find a receiving lecturer on our side.

There is no participation fee. However, participants should cover the cost of travel, accommodation and meals. Where applicable, the funding might be available from the Erasmus grant distributed by the **home university**. We invite candidates to check the availability of such funding with their home institution. Please note that the Erasmus+ programme requires visiting lecturers **from partner universities** to give at least 8 hours of lectures within the regular courses offered by the host university, some of which might be given under the form of research seminars.

To apply for the International Week, please complete the **application form** and send it by email to [*international.relations@disei.unifi.it*](mailto:international.relations@disei.unifi.it) together with your CV. Please note that you are required to indicate the course(s) – among those listed in the application form – that best match(es) your lecture(s).

This is how the application will unfold:

Important dates:

- **Deadline for application: July 16, 2018**
- **Notification of acceptance: August 10, 2018**

Feel free to share this Call with anyone who might be interested in applying for it. For any other information you might need, please contact us at international.relations@disei.unifi.it.

We look forward to welcoming you to the University of Florence and enjoying our wonderful city together.

Best regards,

International Relations
